

Compressed Air System Schematics

Section 05-01-08

Komatsu has made every effort to make this manual as accurate as possible based on the information available at the time of publication and printing. Continuous improvement and advancement of product design may cause changes to machines, which may not have been included in this publication. Komatsu reserves the right to make changes and improvements at any time. To ensure the most current information, please contact your service center.

For the newest version of this schematic, check the online Parts Manual database, or your Service Center.
